

# ruimte voor morgen

# Benefits of an ecosystem

Iedereen verdient een plek om zijn dromen waar te maken.

Wij maken de ruimte voor morgen waarin anderen hun dromen kunnen waarmaken.

Everyone deserves a place to make their dreams come true.

We create the space for tomorrow where others can fulfill their dreams.

# Why MICS?

Addressing today's concerns of tomorrow's competition:

Do I have access to **talented people**? Both the smart **hands** and the bright **minds**?

Can I attract them with an **inspiring workplace** that is visible and **easy to get to**?

Is my current facility enabling **growth** or holding me back?

Am I **innovating** alongside my customers and suppliers?

Is my facility **future proof**?

# What is MICS?

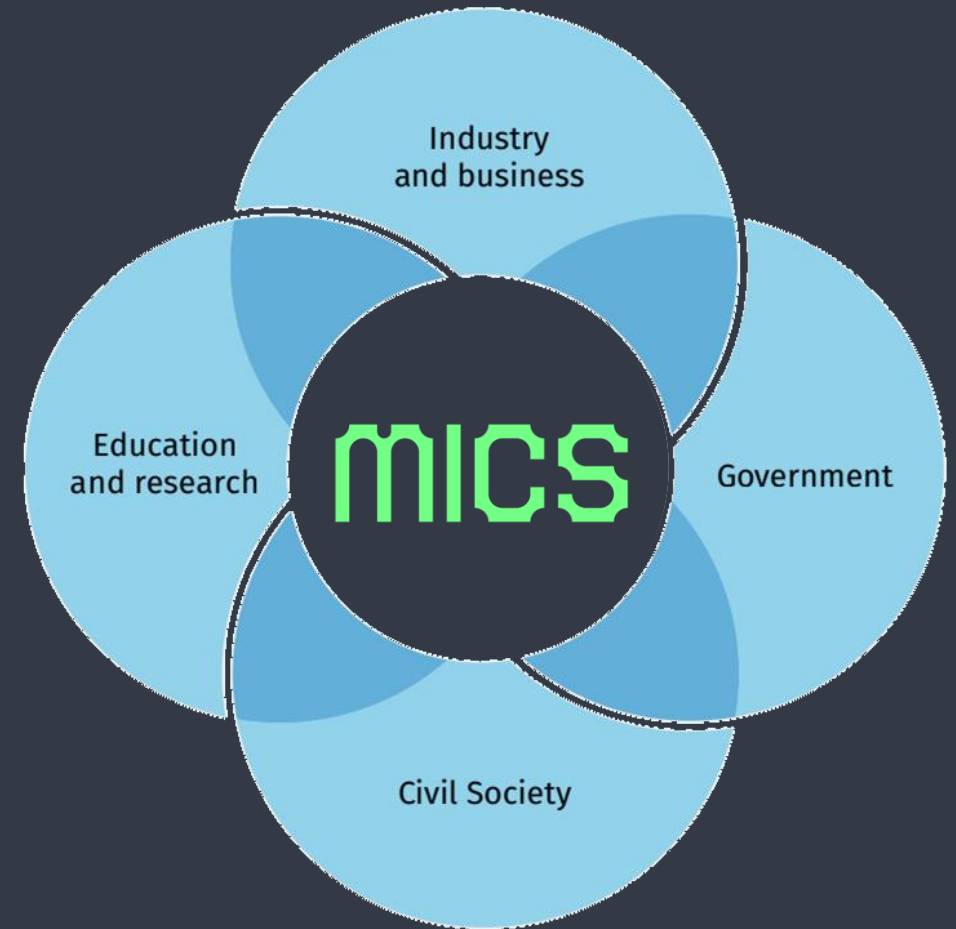

Mechatronics Innovation Campus Schiedam

100+ acres campus with a focus on the **Mechatronics** industry:

- Electronic, Mechanical, Computing and Control Systems

**Ecosystem** to facilitate the **growth** of:

- Talent
- Innovation
- Collaboration

# Where is MICS

Innovation  
Quarter /

## Focus in innovatiehotspots in ZH

- ◆ Noordwijk/Katwijk: Ruimtevaart en Drones
- ◆ Den Haag: Nieuwe materialen
- ◆ Delft: Robotica, Industriële biotech, Quantum, AI
- ◆ Schiedam: Mechatronica
- ◆ Drechtsteden: Maritiem
- ◆ Rotterdam?: 3D, duurzame energie (waterstof/wind), MedTech, Maritiem
